

OFFICE OF THE SUPERINTENDENT

April 14, 2010

Dear Parents:

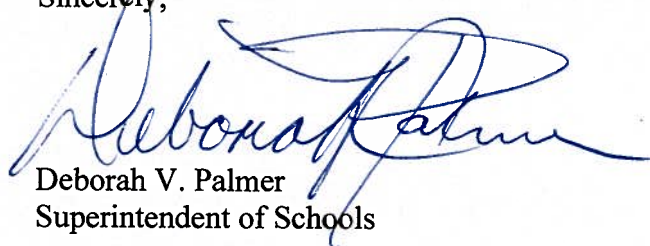

At Tuesday evening's board meeting, the Board of Education approved Full Day Kindergarten beginning in September 2010 in Davis Bay Elementary School, Gibsons Elementary School, Kinnikinnick Elementary School, Langdale Elementary School, Madeira Park Elementary School and West Sechelt Elementary School. Those students already registered in these schools will now be considered full-time students.

Cedar Grove, Halfmoon Bay and Roberts Creek Elementary Schools will continue to offer a half-day kindergarten program. In September 2011, these schools will offer Full Day Kindergarten.

We continue to encourage all families that have kindergarten-aged students, who have not yet enrolled, to please visit your neighbourhood school to register for next fall.

Exciting educational opportunities are waiting!

Sincerely,
