Principal's Message

It is amazing to realize that there are only 25 more school days in the 2009-2010 school year! Where has it gone? The next four weeks are filled with many exciting events so it will be important to write them all on your calendar. First up is our Sports Day this Thursday, May 27th, weather permitting. Friday, May 28th will be the alternate day. Intermediate students will participate in a variety of fun activities in the morning and then our Grade 6/7 leaders will help out with our primary children in the afternoon beginning at 12:30. Children will need to bring, a hat, sunscreen and a water bottle. We look forward to seeing as many parents as possible come help out and watch their children have fun!

Sechelt School Bus

Please go online and register your student to ride the school bus for next year.

Romeo & Juliet

Division 5, Mr. Williams's Grade 3 class is proud to present Lois Burdett's version of Shakespeare's classic play 'Romeo and Juliet'. There will be two showings - the first on Thursday, June 17th from 10:45 - 12:00 and the second show will be on Friday, June 18th from 12:45 - 2:30 p.m. All are welcome to attend.

Jump Rope for Heart

A special thanks to Ms. Andersen for organizing Jump Rope for Heart. Also a big thank you to Ms. Gormely, Mrs. Wrinch and Ms. Perkins who came in to count the Jump Rope for Heart Monies that were brought in. We raised almost \$4700.00 for the Heart and Stroke Foundation. They were very appreciative. Thanks to all the students for their hard work.

Healthy Snacks

We now have apple chips and trail mix available in the office. The apple chips cost 75 cents, and the trail mix \$1.75

Lost and Found

Our lost and found box is FULL again! Please check to see that none of these articles belong to your child. We have lots of items left out on the new playground. Any remaining clothing will be sent to the

Class Placement for 2010/2011

Each new school year brings new opportunities and new groupings of children in classes. Of course, as a small school, there may not be too many options regarding student placement for a particular grade. Staff members do consider a range of factors, including learning styles, friendships, and sibling dynamics to make the best placement possible. If you have any thoughts that you would like to be considered as placement decisions are made, please put them in writing and give your letter to Mrs. McCubbin. (Please note statements asking for a child to be (or not to be) with a specific teacher are inappropriate. Each teacher on staff is a valued professional and any particular concerns you may have about a teacher should be discussed directly with that person.) While not all parent requests can be honoured, your input will be reviewed. Any such letters should be received no later than Wednesday, June 24th, 2010.
