### CONDOM MACHINES

1. Principals shall install condom machines when the following criteria have been met:
  - a. the request comes from the P.A.C. of the school;
  - b. the request is accompanied by an indication of support from the majority of the parents ascertained by the ballot;
  - c. the request outlines the type of consultation taken with students;
  - d. the request identifies any reservations expressed by the staff and/or administration and how those reservations shall be addressed.
2. The district or the school shall not assume responsibility for the costs of purchasing, installing and stocking the machine, the collection of money, or the reordering of stock.
3. Each condom machine shall be accompanied by printed information that warns students of the danger of A.I.D.S. and other sexually-transmitted diseases and outlines their choices in avoiding them.
4. Principals shall permit the removal of condom machines when a request is received from a P.A.C. using the same criteria as in (1).
5. Schools shall continue to present educational programs which focus on choices for healthy lifestyles.
