

District Track Meet Notice 2010

Dear Parent or Guardian,

Madeira Park Elementary will be participating in the annual District Track Meet on Friday, May 14th. The Meet will be held at Elphinstone Secondary and will start at 10:00 am sharp. The Track Meet is open to students in grades 3 through 7.

We have 55 of our 67 students in grades 3 through 7 participating.

If your son or daughter is going to participate in the Track Meet please make sure that they are dressed appropriately for the weather. Hats and sunscreen would be good to have. It will be a long day and they will be burning up a lot of energy so packing an extra sandwich, some fruit and their own water bottle will help. If students have their own blue Madeira Park Elementary t-shirt they should wear it to the Meet. If not, they can wear any blue t-shirt.

We will be relying on parents / guardians for transportation and to provide a large cheering section for our athletes.

Our students start right their events right at 10:00 am.

We want to be leaving Madeira Park Elementary between 8:45am and 9:00am. Depending on how long the Meet takes students will be returning at approximately 2:30pm. (It may be later).

Students must notify Mr. Thorsell if they plan to leave directly from the Meet with their parents.

If you have any questions please contact Mr. Thorsell at 883-2373 or by e-mail fthorsell@sd46.bc.ca

Please complete the back of this notice and return it to the school office.

Thank you,

F. M. Thorsell

(Please fill out and return to school office).

1. Yes, my son/daughter _____ in Grade _____ may participate in the District Track & Field Meet.

Parent/Guardian Signature _____

2. **WE NEED RIDES FOR 55 STUDENTS.**

I am able to drive students to the Track & Field Meet. I have seatbelts for _____ kids.

Drivers must have liability insurance and seat belts for each child.

If your child needs a booster seat, please let us know as we have approximately 20 at the school.

Children can not ride in the front if there are passenger seat air bags in the vehicle.

Mr. Thorsell will have a cell phone (883 2373) and a first aid kit.
