Mr. Brown and Ms. Lavery's grade 6 class will be performing, drawing on the keyword of the month – **Respect**. We will also be celebrating our successful Volleyball season. Our students have been divided into multi-age groups and will be working on banners and flags at 10:45 am for our Olympic day. There will be ten teams and ten stations where the children will hear stories and learn about the country they are representing with their banners and flags. You are welcome to join the events of that day, seeing as it is a 'Family' day.
